# Correction to: Psychometric characteristics of the Iranian Caregiver Burden Inventory (CBI) in caregivers of elderly patients with Alzheimer

Akram Shafieezadeh<sup>1</sup>, Majideh Heravi-Karimooi<sup>2\*</sup>, Amin Mirzaee<sup>3</sup>, Nahid Rejeh<sup>2</sup>, Hamid Sharif Nia<sup>4</sup> and Ali Montazeri<sup>5,6\*</sup>

**Correction to: Health and Quality of Life Outcomes (2020) 18:255**  
<https://doi.org/10.1186/s12955-020-01509-7>

The authorship of this article [1] has been corrected. Razieh Bandari contributed to the statistical analysis during the revision of the article and was added as an author without consent from all authors. The authors and Razieh Bandari have requested to remove her as an author and to update the authorship accordingly. Razieh Bandari's contributions are acknowledged in the updated Acknowledgements section.

#### Acknowledgments

We thank all participants who made this study possible. We are also grateful to Dr. Razieh Bandari for her help and generous efforts. She made major contributions to the process of revision and responding to reviewers' comments.

#### Authors' Contributions

ASH was the main investigator, carried out the study, and wrote the first draft. AmM helped with the preparation of the manuscript and critical revision of the draft. MHK supervised the study and contributed to the writing process. NR was the study advisor. HSN was the statistical advisor and contributed to data analysis. AM was the honorary advisor and contributed to data analysis, critically reviewed the paper, and provided the final manuscript. All authors read and approved the final manuscript.
